

SAVANNAH AREA REALTORS® Distinguished Sales Society RULES - 2021

The following are rules for eligibility in the Distinguished Sales Society (DSS).

- I. PURPOSE:** To give recognition to REALTORS® who have participated in a total sales volume of **\$1,000,000** or more in closed transactions during any calendar year. The Savannah Area REALTORS® is a volunteer driven organization and depends on its volunteerism for survival. Distinguished Sales Society Participation Credits are awarded for participation in sanctioned community service activities. Activities include REALTOR® Care Workdays, Adopt-A-Family work days, Blood Donations (must have documented proof of contribution), Bowl-A-Thon participation, Buddy Walk participation, Tiny Home work days, Ronald McDonald House work days, Putt-Putt participation, Savannah Banana Game Day participation, Garden City Salvation Army work days and Habitat for Humanity work days. Our wish is to have the Distinguished Sales Society members recognize the importance and advantages of volunteering at the Savannah Area REALTORS®. Credits will also be issued for monetary contributions to approved SAR charities/community outreach/political contributions on your SAR Member Portal only. Charities/community outreach/political contributions include: RPAC investments, PAF investments, Corporate Ally investments, Disaster Relief Fund, Habitat For Humanity, Lifeline for Children, Ronald McDonald House, Tiny Homes, Low Country Down Syndrome, Safe Shelter and Garden City Salvation Army.
- II. ELIGIBILITY:** Any licensed REALTOR® Member in good standing with the Savannah Area REALTORS®. Applicant must hold **primary** membership with SAR during the qualifying year. **Annual SAVANNAH AREA REALTORS® Membership dues must be paid BEFORE submission of application for the Distinguished Sales Society, online in your member portal, not to be combined with application fee and the printed receipt included in your packet. Attendance verification of two (2) SAR/SMLC committee sanctioned projects/events (per application).** - To be eligible for membership in the SAR Distinguished Sales Society, an applicant must be an active member of at least one SAR/SMLC committee and participate in at least two Committee meetings and/or two committee-sanctioned projects or activities. The member must be **on time and remain for the duration**. Attendance at SAR or SMLC Directors meetings as a Director will count toward satisfying these criteria. Luncheons, social activities, education and WCR participation do not qualify. **The participation and or contribution Report can be found in your member portal. You must print the report and include in your packet.**
If you are applying for both Residential and Commercial, you must have at least a total of four (4) DSS slips. All documentation evidence, i.e. Sales contract or listing agreement must have **agent's signature on the document.**
- III. ELIGIBILITY PERIOD:** Transactions closed during the calendar year. Leases may be counted only in year of lease origination.
- IV. CRITERIA:**
- * An accumulative total volume of \$1,000,000 closed during calendar year with (2) DSS Slips.
 - * A minimum of eight transactions. (Each transaction is to be listed separately; i.e., sale and listing of same property must be entered as two separate transactions)
 - * Sales - 50% volume credit.
 - * Listings - 50% volume credit.
 - * Leases - Leases of 12 months or longer will be given credit for the gross aggregate rental.
 - * In sales between two offices, or two agents in the same office, the selling agent will receive 50% credit and the listing agent will receive 50% credit for the sale. (If the agent sells his own listing, then volume credit is given for listing and sale equal to 100% of actual price property sold for; i.e., 50% for sale and 50% for listing.)
 - * **Teams or Co-Listings/Sells - If two agents jointly list property, credit will be divided equally (25% each) and requires standard documentation. Transaction credit will be given to each agent listed on the listing agreement and the final sales contract.**
 - * If you are one of the sales agents for a developer, i.e.; the only developer you represent, the developer may not assign listing credit for company-owned inventory. Therefore, the salesperson will receive sales credit only. If a project is listed specifically with one agent, and that agent services the project, then listing and sales credit may be given. On the development projects, the properties must be published in the MLS indicating a listing agent prior to the sale.
 - * A broker in recording his sales may count only those sales made personally.

In reference to builders and developers:

1. A builder who applies for membership may qualify by counting his personal sales. (Same as broker who may count only personal sales.)
2. Developers may not count any development of land in which they hold an interest.

In reference to new homes:

1. Agent who solicits listings of builders' homes, receives a listing agreement and actively services it, may count the property as a listing.
2. When broker/builder assigns new homes to agent who works for him, broker/builder must sign a listing contract with salesperson and salesperson must service this listing in the same manner as any other listing. Signed contract must be filed.
3. If you contract with a builder for a custom-built home, with proper documentation, credit may be given for the listing and sale.

No Commission Sales:

1. If you represent a sale where no commission is involved, you may still take credit for the sale.

In reference to personally-owned real estate:

1. Credit will be given for sale or purchase of personal real estate with proper documentation.

In reference to one-time showings:

1. Credit for listing and/or sale will be given for sales resulting from one-time showings provided there is a written listing contract or contractual agreement between seller and broker. Listing credit will not be given for builder/developer new home sales.

In reference to VA and HUD

1. VA - only sales credit will be given.
2. HUD repos - sales credit can be given, and listing credit will be given if broker has proper listing documentation from HUD, the listing is put in the MLS and appears on the MLXChange Agent Awards Report.
